# An Introduction to United Rehabilitation and Physiotherapy Centre

## Who Are We?

**United Rehabilitation and Physiotherapy Centre** is an allied health rehabilitation centre where allied health professionals such as Physiotherapists, Occupational Therapists and Speech Therapists work to improve the functional outcomes and quality of life of people suffering from pain, injuries, functional limitations and/or disabilities.

The centre provides services for clients who require specific therapy such as neurological, sports, orthopaedics, geriatric and musculoskeletal physiotherapy, occupational therapy and speech therapy.

The centre serves clients ranging from athletes with sports injuries, individuals with neurological problems, to those who need continuing therapy after being discharged from a hospital.
